Stone Quarry Hill Art Park
2020 Annual Report
The Art Park is pleased to provide this report to the community. 2020 was a challenging year. As the COVID-19 pandemic brought closures and cancellations, Stone Quarry Hill was able to keep its grounds open to the public, providing access to the art and outdoors at a time when so many were searching for joy, comfort, and respite. The organization also shifted its arts programming, providing virtual content and creating remote residency opportunities for over 18 artists. In a year weighted by loss, Stone Quarry Hill provided new outdoor artworks, programs, and activities for visitors to engage with year-round.

We could not do what we do without the support of our donors, members, and volunteers. Thank you for your resolute support of Stone Quarry Hill Art Park in 2020. We are so happy to have you as a part of our story.
